(b) if so, what are the results thereof?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI CHANDRA SHEKHAR SINGH): (a) and (b) Geophysical surveys have been carried out in different areas in North Bihar. Wells were also drilled at Raxaul, Purnea and Gandak but they proved dry.

**Closure of coal mines**

505. SHRI SURAJ PRASAD:

SHRI INDRADEEP SINHA:

Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that a large number of coal mines were closed after nationalisation of coal mines;

(b) whether it is also a fact that as a result thereof a large number of labourers have been rendered unemployed;

(c) whether it is a fact that there is a persistent demand to open these coal mines; and

(d) if so, what is the reaction of Government thereto?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) to (d) Since nationalisation a few mines have been closed. The reasons for the closure were exhaustion of coal reserves, adverse economics etc. However, no worker was rendered unemployed on this account.

Coal India Ltd. has initiated steps for opening some of these closed mines having workable reserves through re-organisation schemes and formulation of new projects.
